Claim - [REDACTED]

1. Transmitted herewith in duplicate, is a letter dated 4 April 1950 addressed to this office by the Assistant Comptroller General of the United States, Mr. Frank L. Yates, and two carbon copies of his letter, (date stamped 4 April 1950) addressed to the Attorney General of the United States, concerning claims filed by the Trustee in Bankruptcy of the [REDACTED] involving the Central Intelligence Agency, in amounts of \$1,250.22 and \$87.39, respectively.

2. A joint scrutiny of the record by Mr. [REDACTED] of the Fiscal Division and Mr. [REDACTED] of the Finance Division revealed that the claims arose from Contract No. [REDACTED] which was originally negotiated by the Strategic Services Unit, in the amount of \$30,000. The brief examination of the file also revealed that the contract was terminated before all considerations were furnished and that billings were received as claimed but that payments were withheld because it appeared that certain contractual conditions were not fully complied with.

3. The documents concerning this claim are forwarded for appropriate attention and advice so that we may comply with the request of the Assistant Comptroller General of the United States.
